

Pollokshields Parish Church Literary Society

Overview

Pollokshields is an area in the south side of Glasgow. (For more information on this area, see Gerald Blaikie's article, '[Pollokshields, Glasgow. Origins & History](#)' on the [ScotCities](#) website). Members of this society were most likely part of the congregation of the Pollokshields Parish Church. (For more information about this church, see '[Shields Road](#)' on [The Glasgow Story](#) website).

There is little currently known about this society. The only evidence we have to date comes from the syllabi of another literary group, the Queen's Park U. P. Church Young Men's Institute, which list the date on which the Pollokshields Parish Church Literary Society was scheduled to participate in a joint debates with them (see below).
